

## What Sellers are saying about Gayle Pietras

"Thank you very much for everything that you did to help make this sale go as smoothly as possible for me. Words can't express how grateful I am for all that you did to protect my privacy. I know it doubled the work that you had to do and not once did you ever express concern over that. I can't imagine working with any other person than you."

"Thank you, Gayle, for doing a fabulous job selling my late brother's home. I didn't have to worry about meeting inspectors, repair persons, etc. as you willingly took care of it all. Professional and personable - two words that I feel describe you. I had interviewed several realtors and I am sure glad that I chose you. Thank you again!"

Marianne Choy

"We could not have asked for a better selling experience. We really appreciate all you have done for us. You have made it easier than we ever thought it would be especially living out of the area. Thanks for everything!"

Carol and Tony Zancanella

"She made the entire process understandable and painless. She is an excellent negotiator - knowing what to give in on, what to insist on, and what the market would bear. All of her work was meticulous - she handled the details in a professional and thorough manner. All of her communications are very business-like, accurate and objective (although she has a good sense of humor!)."

John and Melissa Cooper

"We recommend Gayle without hesitation. She is a consummate business professional of the highest integrity. We never felt like she was working for anyone else—it seemed like our quest was her highest priority."

Joe and Lisa Pistacchio

"Gayle was not only our agent, she became our trusted friend. Gayle made the sale of my mom's property as easy and stress-free as possible and for that we are extremely grateful."

Barbara Rioux

"I was amazed at your scope of service. You left no detail uncovered. Anyone who has you working on their behalf is so lucky to have such a conscientious and hard working agent."

Margie Casagrande

"Your broad real estate knowledge was key to the success of our final offer. We don't believe many realtors have your grasp of all the legal and implied issues that arise in buying and selling a home."

Mark and Daphne Simmons

"Gayle's integrity is beyond reproach and I would not hesitate to ask her to serve as my agent in any future transaction. I highly recommend her to anyone seeking a trustworthy, knowledgeable realtor who also possesses a delightful personality and the excellent skill of communicating."
